KEVIN KOLCZYNSKI Can you think of a better way to celebrate the best time of the year?! We know what you're thinking and the answer is yes, Butterbeer.The special will be silared, which will start on November 16, 2019 and continue through Christmas until January 5, 2020. According to Universal, access to these festivals comes with an entrance to the theme park and may be the biggest Christmas present you can get, as well as an invitation to join hogwarts. As a devout fan of the source material, these magical images will forever be etched in my memory. Of course, I won't forget the volume of wand-toting, spell-casting, butterbeer-guzzling people around me. Elbow to elbow, we jostled for position under the sun in hot Orlando as crowds at the Quidditch World Cup. Harry Potter Theme Park Tips People's audience did not reduce their experience for me, but I have to think about harry potter theme park tips I would have liked if I had known before I first visited. I made a few rookie mistakes the first time, but maybe you won't have to. Here are the top tips for visiting the Wizarding World at the Harry Potter theme park in Orlando. 1. Buy a Universal Express Pass View A post on Instagram shared by Josh Roberts (@joshwhowrites) Seriously, do just that. Rem mortgage the house if necessary. It's worth it. Universal Express Pass lets you cross lines on almost all journeys at Universal Studios and Islands of Adventure, including Harry Potter theme park rides. Express Passes are expensive, but arguably worth every penny-especially this is the first visit to the Wizarding World of Harry Potter. Express Passes come in two types: Universal Express (which allows you to enter one express per theme park ride) and Universal Express Unlimited (which, as its name suggests, provides unlimited express entry to all journeys that accept passes). For me, with a family of four, including two children under 11, Universal Express Passes did more to improve the quality of our trip than combined everything. Most rides at Universal have two separate lines: the standard line and the Express line. Express lines are more direct than standard lines. This means you can wait about 15 minutes using the Universal Express Pass line to ride Harry Potter-themed rides. In the standard line, waiting times are routinely between 90 minutes and two hours. For many, harry potter theme park witchcraft is a once-in-a-lifetime experience visiting the world. There are places where it might make sense to cut corners to make money, but this is not one of them. Pay extra price and go through the lines instead of spending most of the day waiting for them. Universal Express

Passes can be purchased before your trip or in a variety of well-marked locations throughout the parks. Special cordons for viewing Express Tickets are also on sale throughout parks and many shops. 2. Both Parks Need to Visit a post shared by Josh Roberts in this post on Instagram (@joshhowrites) You need to visit both Universal Studios Florida and the Adjacent Islands of Adventure parks to get the full Wizarding World of Harry Potter theme park experience. And you're going to need at least two days to see everything. Hogwarts Castle and the surrounding hogsmeade surroundings are located within Universal Studios Florida; Diagon Alley and its shops and rides are located in adventure islands. They are connected by Hogwarts Express, a short train ride accessible only when you buy many parks that allow you to travel between two parks at any time. To sweeten the deal, Universal hogwarts Express has made it a short but fun experience, like a mini-ride all its own. I won't spoil the surprise, but suffering to say that travel from Diagon Alley to Hogsmeade is a different experience than going the other way. True Harry Potter enthusiasts will want a journey experience in both directions. Another way to travel between the two parks is through an area called Universal City Walk, which mostly connects shops, restaurants and entertainment venues Park. No tickets are required to explore Universal City Walk, but you will need tickets to reach both parks from City Walk. 3. Arrive to the Park Early View get this post early, shared by Josh Roberts (@joshhowrites) on Instagram. Before it opened early. Go now if you can. After the park opens, walk directly to the Harry Potter area without stopping for anything. I can't stress this Harry Potter theme park tip enough: if you want to live Harry Potter's Wizarding World shoulder to shoulder without crowds, you have to come before anyone else. There's no other way. With the Universal Express Pass, you can reach almost every ride in both parks in a short time. But Hogsmeade and Diagon Alley don't drive-they are open spaces with shops, restaurants, vendors, and all the design details they dream of dreaming of visiting. So naturally he was quickly overwhelmed by crowds. First you get to the Harry Potter theme park area, you get about 30 to 60 minutes of relative freedom to explore these magical areas without crowds. This is especially important if you want to try spelling for you or your children. Universal Hogsmeade and Diagon Alley sell replica wands that allow for dozens of spells in locations across their fields. (I'll talk more about the wand later.) But if you didn't imagine yourself or your children aligned with the dozens of people waiting your turn, you should get there before anyone else. A nearly empty Diagon Alley magical casting a successful spell; Being 10 in line to perform the same trick is frustrating and a bit ridiculous. When you get to the parks, go straight to Hogsmeade or Diagon Alley, walk around, take everything, maybe browse the shops-enjoy the view and atmosphere of the Wizarding World of Harry Potter before everyone get there. Then, when the rest of the world arrives, quickly use the hop express pass to ride a variety of Harry Potter-themed rides. 4. Stay at a Universal Studios Hotel View this post on Instagram A post shared by Josh Roberts (@joshhowrites) is one of the easiest Harry Potter theme park tips to take advantage of from going to the park early, staying at the Universal Studios hotel. My family stayed at the retro-chic Cabana Bay Beach Resort, which offers a free shuttle to parks and is within walking distance of Universal Studios Florida, Adventure Islands, Universal City Walk and Volcano Bay Water Park. Cabana Bay or any other Universal Studios resort, unlike other area hotels, is the biggest advantage of staying, early access to the Wizarding World of Harry Potter. When you book, check which park offers early access on scheduled dates and plan your visit accordingly. Some Universal Resort packages also include Universal Express and Universal Express Unlimited Passes. A small advantage of staying at Universal Holiday: Access to souvenir shop merchandity at the hotel. Sure, it's crude commercial, but let's face it-you're probably already going to buy T-shirts from this Gryffindor Quidditch team captain, so why not buy it in time down at the hotel that wastes time shopping in parks instead? 5. You Don't Have to Buy Your Interactive Wand in the Park A post shared by Josh Roberts (@joshhowrites) on Instagram also buy a wand from Universal Studios if you've always dreamed of wandering around Ollivander's and letting you choose your wand. You won't be disappointed with the attention to detail inside the wand shop. But go this route, get there early, go straight to Ollivanders Wand Shop (Diagon Alley) or Dervish and Banges (Hogsmeade) and make your purchase before you start stretching the line out of store. If you are interested in casting spells with more wands than more purchasing experience, do yourself a favor and literally buy wands elsewhere. The Universal Studios gift shop is located at Orlando airport and all Universal hotels. You can even buy it online before you arrive. Wherever you get it, you'll spend more than \$50 a wand. Line up if you don't have to. This applies to almost all of the goods you can find in the park. ... Or buy it in advance! Harry Potter Costume is set through Amazon there for all Harry Potter fanatics, a package from Amazon, a better way to stay in the moment than to imitate Harry or other favorite characters in the series with light costume? 6. Try this post in Butterbeer View on Instagram a post shared by Josh Roberts (@joshhowrites) This soft drink, both cold and frozen varieties come, sold everywhere within the Harry Potter areas of parks. Depending on where you buy drinks, you can also come up with a replica glass or beer stein souvenirs. Sweet and frothy inns taste like a coexistete of cream soda and butterscotch, but it's hard to fix it down to the full flavor-other than that to say almost perfection. I'm not exaggerating when I say that drinking Butterbeer can be reason enough to visit the Harry Potter theme park. It's that good. Often imitation, never equal, the secret recipe for butterbeer is the closely guarded culinary secret-and really hits the spot when temperatures start to rise in Orlando. 7. Control Height Requirements There are only a handful of real Harry Potter theme park rides bee before, but they're all pretty great. Just be sure to check the height requirements before queuing (or excite your child for a trip they're not allowed to board). Harry Potter and the Forbidden Journey have a height requirement of 48 inches; Hippogriff flight 36 inches; Harry Potter and Gringotts escape is 42 inches. There is no minimum height requirement for the Hogwarts Express. 8. You May Want to Repeat Rides View Share on Instagram a post shared by Josh Roberts (@joshhowrites) has the school of views, which is the best ride within the Wizarding World of Harry Potter theme park, but my children loved Escape from Harry Potter and gringotts the most. My favorite was Harry Potter and the Forbidden Journey. It's even a fun experience for Potter fans waiting in line to ride Harry Potter, because the walls inside the castle are alive with moving portraits and other interesting set pieces. It is worth noting that the Universal Express line and the standard entry line within Hogwarts take different routes to the starting point of the ride. If you are a big fan, you may just want to wait for the standard line at some point for the experience. Get there early for standard line-in and go again with your Express Pass. A Small Backpack (or No Backpack at All) universal studios and islands of adventure harry potter theme park areas can bring backpacks and snacks into wizard world, but you can't bring the most bags to drives. The park offers free lockers to use while driving, but there are a few things you should know. First, the closet is as small as it is - so just bring a small backpack or bag with you to the park. Secondly, the lines for using cabinets can be long and the space around them can be crowded. If you can avoid bringing a backpack to the park, you will give yourself some time and hassle.
